To whom it may concern,

October 17, 2011

Yancey Brothers is proud of its affiliation as a supplier of equipment, parts, and service to Taylor and Sons Construction Company. Yancey Brothers and Taylor and Sons are both businesses that share a commitment to hard work, dedication to quality service, and a belief in strong customer support.

Yancey Brothers has been Georgia's Caterpillar dealer since 1914 and we currently have 26 locations to serve and support our customer's needs. In addition to being Georgia's Caterpillar dealer we also offer our customers many other facets of service, training, and logistical support.

We are committed to supporting our customers with a full range of equipment, service, and support to Taylor and Sons on any project. During our association we have seen a strong commitment to quality work and strong customer service from Taylor and Sons. We look forward to supporting them in our territory.

Sincerely,
